

May 15, 2018

Good morning —

Staff would like to thank everyone who was able to attend our Open House public input sessions during the week of April 24th. The information and comments we received will help guide our staff during the development of **Genesee: Our County, Our Future**. Don't worry in case you missed them! You can visit our plan website located at www.ourfuturegenesee.org to view the PowerPoint presentation and the information boards that were on display.

Have you had time to take our survey yet? If you haven't, here's the link: <https://www.surveymonkey.com/r/GeneseeOurCountyOurFuture>.

There are only 2 weeks left for your community to compete for one of GCMPC's **\$2,000 beautification grants!** The three communities with the highest percentage of residents who complete the survey will each win a \$2,000 beautification grant for a project of their choice. Our survey competition goes until **Thursday, May 31st**! Questions can be directed to Mr. Jacob Maurer using the contact information below:

Mr. Jacob Maurer, Planner II
Genesee County Metropolitan Planning Commission
