

UNITED STATES 2020 CENSUS

Overall Timeline

Counting every person living in the United States is a massive undertaking, and efforts begin years in advance. Here's a look at some of the key dates along the way:

2020

- **March 12 - 20:** Households will begin receiving official Census Bureau mail with detailed information on how to respond to the 2020 Census online, by phone, or by mail.
- **March 16 - 24:** A reminder letter.

If you haven't responded yet:

- **March 26 - April 3:** A reminder postcard.
- **April 1:** Census Day is observed nationwide. By this date, every home will receive an invitation to participate in the 2020 Census. Once the invitation arrives, you should respond for your home in one of three ways: online, by phone, or by mail. When you respond to the census, you'll tell the Census Bureau where you live as of April 1, 2020.
- **April 8 - 16:** A reminder letter and paper questionnaire.
- **April 20 - 27:** A final reminder postcard before we follow in person.

We understand you might miss our initial letter in the mail.

- Every household that hasn't already responded will receive reminders and will eventually receive a paper questionnaire.
- It doesn't matter which initial invitation you get or how you get it-we will follow up in person with all households that don't respond.
